

Recovered Scrap Paper Prices: Dealer/Processor Prices

These prices reflect the estimated value of recovered scrap paper accepted by or sold to paper stock dealers and/or recycling centers. Prices are listed in dollars per short ton for loose (not baled) material in small quantities, unless otherwise noted. Negative values indicate a charge to accept the materials. Estimated prices are based on surveys of buyers and sellers and are not binding. Prices for grades marked "at generator's dock" indicate the estimated value for material picked up by a dealer from the place where material is generated. Prices for grades marked "at dealer's scale" indicate the estimated value of material brought to the dealer's plant or recycling center.
